QUAY MAINTENANCE WORK AT PORT OF PIETARSAARI/JAKOBSTAD

Please be informed that the two quays of Port of Pietarsaari/Jakobstad, Buskö and Laukko 1, will be under maintenance work starting from 27th of May to 30th of September. Work will be done by Kreate Oy.

During that time period the improvements on quay structures will be made on one quay at the time. Shortage of one quay in our daily activities may have some affect on port operations. We thank you for your patience regarding the possible inconvenience caused to the activities.

The maintenance work will be done to improve our effectiveness and to keep our service level high also in the future.

For further information please contact:

- for possible effects on port operations, please contact your operator
- for technical information concerning the maintenance work, please contact Juha Hakala, Managing Director, Port of Pietarsaari/Jakobstad Ltd, juha.hakala@portofpietarsaari.fi, +358 40 585 2332
